

# Safe Working

## Logistics on Site

### Always Pay Attention to Safety

 <p>Driving under the influence is not permitted.</p>	 <p>Wear a seatbelt.</p>	 <p>Performing tasks where you are poorly visible to your surroundings? Wear a safety vest. When working at heights, a safety vest is required.</p>	 <p>Ensure sufficient space and lighting around you. NEVER drive in public areas during a show without permission.</p>
 <p>Do not be distracted by your radio or phone.</p>	 <p>The number of passengers in or on vehicles is permitted based on the available seats. Riding on the running boards of forklifts, in the load beds of Gators or on trailers is not permitted.</p>	 <p>Always drive a platform lift (MEWP) on a solid surface such as concrete, asphalt or drive plates. This reduces the risk of sinking or tipping.</p>	 <p>Always ensure adequate ventilation of your cab; avoid diesel fumes.</p>

### Always Adapt Your Speed to the Circumstances

- In areas where animals are (or may be) present, the maximum speed is 15 km/h.
- Public areas and unclear situations, such as passages through public, may only be entered with vehicles with the explicit permission of the organisation, and must be accompanied where necessary.
